

7" 15-Amp Angle Grinder, AC/DC

G18MR

HITACHI

- **IDI (Internal Double Insulation) Technology** prolongs tool life by providing a durable metal housing, reducing vibration and extending brush life, while realizing the double insulation characteristics of plastic housing tools
- **Dust-proof labyrinth construction** prolongs armature, switch and bearing life
- **Carbon brush access** allows user to replace brush as needed to greatly prolong the life of the tool
- **Trigger lock-on** for comfortable continuous operation
